Agreement:

It is my desire to be considered for a leadership position with BVCHEA. I have read, agree with, and will support the BVCHEA Statement of Faith and Activity Policy. As a volunteer, I understand I am offering my services to BVCHEA without compensation. I hereby release BVCHEA of liability and indemnify them against any loss or damages ensuing while I am on BVCHEA business.

Criminal History Agreement: By my signature above, I hereby authorize BVCHEA to conduct a computerized criminal history (CCH) verification via the Texas Department of Public Safety (DPS) Secure Website, based on the name and DOB information I have supplied above. I understand that a criminal conviction may disqualify me to serve with BVCHEA. Because the name-based information is not an exact search, and only fingerprint record searches represent true identification to criminal history, BVCHEA is not allowed to discuss any information obtained using this method. If the search provides a criminal report I know could not be mine, BVCHEA will offer me the opportunity to have a fingerprint search performed in order to clear any misidentification based on the name search. For the fingerprinting process, I will be required to submit a full and complete set of my fingerprints through the Texas DPS Automated Fingerprint Identification System (AFIS), using the correct fingerprinting form supplied by BVCHEA, making an online appointment, and paying a fee of \$9.95 to the fingerprinting services company, L1Enrollment Services. Once this process is completed and BVCHEA receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.
